Students:

I want to thank you for participating in the speech and debate tournament at Arizona State University this weekend.

I hope you enjoyed yourself and had the opportunity to become familiar with the campus and our Hugh Downs School of Human Communication. If you would like a closer look at the Tempe campus or any ASU campus, you can [schedule an in-person visit or tour it virtually](#).

I strongly encourage you to continue your work with speech and debate in high school and once in college. Your efforts to deeply examine topics, better understand others, and effectively communicate are commendable, and they will serve you well as you move through life.

Thanks again for being a part of this year's tournament, and best wishes on all your endeavors.

Sincerely,

Michael M. Crow
President
